## transit

Taking public transportation helps you beat traffic, save money on gas, and ease the stress of your daily commute. Park at a transit station or Park & Ride lot and get on board the bus, Trolley, COASTER, or SPRINTER. Your transit ride is even easier with the new Compass Card — the smart card for transit passes. Get your Compass Card at any VONS grocery store in San Diego County.

## bike lockers

Use pedal power to close the gaps in your commute. Bike lockers are available throughout the region to make your trip a little easier. They keep your bike safe while you take transit or share a ride to work. To find out which Park & Ride lots have lockers, check the list on this map. There is no fee to use a locker — just a small, refundable deposit. To sign up for a locker or get more information on bicycle commuting, visit [511sd.com/i/Commute](http://511sd.com/i/Commute).

## ridematcher
